🎓 EDUCATION

Azad University Of Central Tehran Branch, Bachelor of Software Engineering

September 2015 – December 2019

Total GPA : 16.62 / 20

Last two years GPA: 17.72 / 20

💼 WORK EXPERIENCE

▪Data Visualization Design at SON Company

January 2016 – October 2017

we created an interactive data visualization for Pasargad Oil Company. The dashboard aims were to define and analyze performance indicators in the form of reports and managerial dashboards in various functional areas.

▪Web Design at SON Company

January 2016 – February 2017

We built a custom web page for the company, SON, to highlight their services and achievements.

You can visit the website at https://son.ir/
